### PROJECTS

Personal Portfolio

<https://portfolio-4q49.onrender.com>

A modern personal portfolio built with Reactjs, Threejs, Motion UI, and Tailwind CSS. It features interactive 3D elements, smooth animations, and a clean, responsive design to showcase skills, projects, and experience in a visually engaging way.

### **E-Commerce Website (FurStore)**

<https://furn-store-xi.vercel.app>

The furniture website template is a visual e-commerce project designed with new modern UI/UX principles in mind. It showcases high-quality visuals and an intuitive interface to enhance user engagement. Built using ReactJS, Bootstrap, and Redux, the template ensures seamless integration, scalability, and optimal performance
